

Cut the quack

Special There is nothin' special about you. You're standard issue human — no two alike, not one special. *Get past it.*

Needs Besides having a big begging E in the middle, any old body can decide what some other body needs. 'He needs to *this...* She needs to *that...*' We all play that game. But. You're the only one can say what you want. And that's what you want, right?

Consumers It's the name for takers, for people who don't make shit, they lie back all day usin' shit up. *Oink.*

Fitting In Squeeze yourself through that narrow door marked Normal, watch out you don't turn into Mr. or Ms. Nobody-In-Particular. That's not you... is it?
